

## Junior Park Rangers Workshop - Willow, Wetlands and Waders

**Saturday 9th November 2024 - Floodplain Forest Nature Reserve**  
**10am-12pm or 1-3pm**

Join the Outdoor Learning team at Floodplain Forest Nature Reserve, a special park that is a place like no other in Milton Keynes. The reserve is home to cows that graze through the wetlands, and plenty of bird hides that can be used to observe the fascinating wildlife.

During the 2 hour session we will visit the bird hides, carry out a group conservation activity to help the creatures that live in the reserve, and make a nature-themed craft that you will take home with you.
