Saturday 4th May 2024 - Middleton Wood Meadow
10am–12pm or 1-3pm

Join the Outdoor Learning team at Middleton Wood Meadow, a beautiful park that is being planted with over 6000 trees that will be enjoyed by humans and wildlife for years to come. During the 2 hours we will explore the park on "Quillbert's Quest", finding out what creatures might live there, taking part in a habitat-building activity, and making small crafts to take home.
