

# Welcome to Junior Park Rangers

The Parks Trust  
JUNIOR PARK RANGERS

Thank you for becoming a Junior Park Ranger (JPR)!

We are so happy you have signed up to take part in this important environmental club. We really appreciate all the hard (but fun) work you are about to do on behalf of The Parks Trust.

Your JPR Coordinator (who is based at your school) will give you information about when and where to meet. During these meetings, you can arrive with fun facts and things to share with your group. For example, you might have spotted an interesting bird at the weekend or watched a nature documentary. You can also bring ideas you might have to get the rest of your school involved in enjoying nature (things like quizzes, scavenger hunts, competitions and puzzles like word searches).

You will also be invited to FREE weekend workshops with The Parks Trust. These workshops will be on Saturdays in different parks around Milton Keynes, but your grown-up doesn't need to come along - The Parks Trust will provide staff, who are DBS-checked and First Aid-trained. You will take part in activities and challenges that will help you learn more about conservation, wildlife and bushcraft. The dates can be found below, but the tickets for each workshop will not be released until the month before each workshop. To book, head to [www.theparkstrust.com/jprworkshop](http://www.theparkstrust.com/jprworkshop).

Please be aware that workshop spaces are limited and offered to every JPR school in Milton Keynes, so be sure to book quickly! Your JPR Coordinator should share the booking link with you as soon as they receive it but we recommend you put these dates in your calendars now, as well as a reminder to book the month before, as you will be responsible for booking onto the workshops and it would be a shame for you to miss out!

We look forward to working with you very soon. If you have any questions, please get in touch with your Coordinator.

Best wishes,

Florie and The Outdoor Learning Team
