

Feathery Finger Puppets

Learn about the different colours and markings of UK birds with this fun and easy craft activity!

Colouring pens or pencils

Card

Scissors

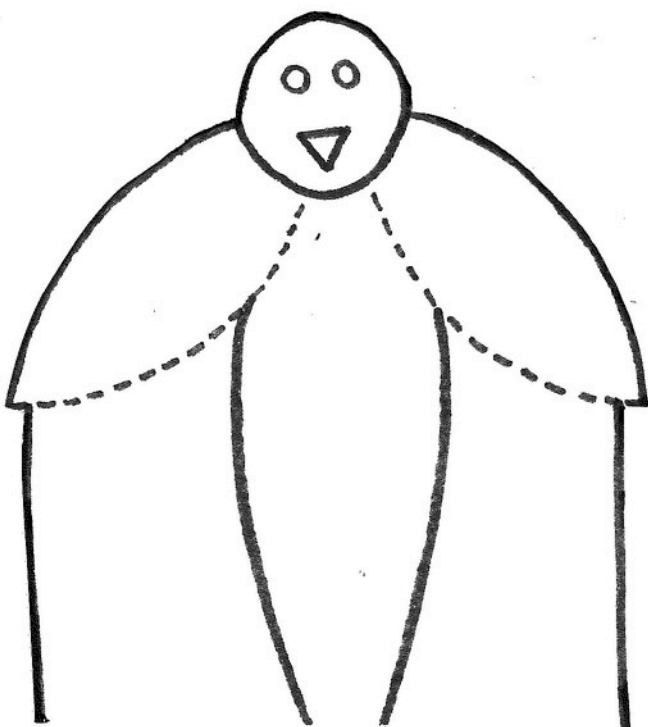

Glue or tape

What you'll need:

How to make your finger puppets:

Step 1:

Copy the template onto a piece of card. Cut it out carefully, asking an adult for help if needed.

Step 2:

Colour in your bird. Think about the different colours, patterns and markings of your chosen species, using a picture from a book or online to help you if needed.

Step 3:

Cut along the dotted lines. This will create your wings. Be careful not to cut them off fully!

Step 4:

Bend back the sides to make a tube where your finger will go. Tape or glue together.

Step 5:

Reposition the wings, sticking them down against the tube. Use your birds to create a show!

Top Tip:

Once you have created a flock of birds, why not make your own templates for other creatures, like foxes, badgers and moles. Have fun creating a whole woodland of animals!
